

WE ARE ACTIVELY SEEKING TRUSTED OWNERS TO JOIN OUR NETWORK

Using our unique national network,
we will grow your property revenue!

WHO WE ARE

We partner with trusted owners of distinct properties to create a network of fine rental properties across the globe. Travelers feel comfortable when booking within our network!

OUR QUALITY PROMISE

Other companies are willing to accept any property, from a shack to an estate, as long as the annual fee is paid. Why let your property be linked with poorly managed homes? This dilutes your brand and lowers the income you deserve! *P is for Properties* is your solution!

For our unique portfolio, we...

- Only select fine, high end properties
- Limit our relationships to a handful of fabulous properties in each location
- Only work with honest and responsive owners
- Monitor our portfolio of homes to ensure our quality promise

THE RESULTS. HIGHER INCOME FOR YOU.

- **HIGHER RATES.** Travelers are willing to pay a premium for a quality property.
- **HIGHER OCCUPANCY.** Travelers who have traditionally used hotels and those who were uncomfortable with the “hit or miss” rental experience are excited to book with *P is for Properties*.
